

BRIDE & GROOM - TODD

2.
Scene 1

accepted. So Todd will be moonlighting at multiple jobs (Uber driver, strip club bathroom attendant, boys town go-go dancer, valet guy, etc.)

AUDITION SIDES FOR BRIDE & GROOM

START

EXT. CROWDED MALL - NIGHT

→ Todd has secretly set up a stage (think the fountains area at the Grove) at night.

TODD (OVER LOUDSPEAKER)
Here ye, here ye, may I have the entire mall's attention? Tonight this dedication goes out to my one and only shining angel.

A giant SPOT LIGHT illuminates a shocked JULIE and we REVEAL...

TODD, suspended by cable in a full knights armor suit that is super clunky, gets turned around on the cable.

TODD (CONT'D)
Dammit! Turn me around! This is not what we practiced, dude! Come on!

Todd eventually turns around and is released from his cables violently crashing to the ground.

Down on one knee, TODD, feeling awesome, holds a ring out.

TODD (CONT'D)
Julie Marie Ballsax, you are my everything, I imagine I'm yours, will you marry me?

JULIE
Ummmm, really, Todd?

Julie notices all the people stopped and staring at her.

JULIE (CONT'D)
Can we talk about this? Like private style.

TODD
Kind of not what I was hoping for right now but yeah, sure.

BRIDE & GROOM - TODD scene 1

3.

They go into a PRIVATE ROOM, Todd's mic STILL LIVE for RANDOM PEOPLE to hear this conversation.

JULIE

What was that?! Why would you propose like that?

TODD

I nailed that last move. I thought it was cool, no?

JULIE

No. It was super corny and awkward.

TODD

Come on, you love Game of Thrones! I'm Jon Snow! What's the problem here? You don't want to marry me?

JULIE

There's just a lot that would need to get worked out for that to happen.

TODD

Like what?

JULIE

Like so much. How about your parents? I hate them. Your dad is such an idiot and your moms voice makes me wanna crawl in a cave.

TODD

I'm not a huge fan either. Don't let my weird parents stop this. Marry me and I promise you only have to see them once every year.

JULIE

What about Trent?

TODD

He's my best friend!

JULIE

He's a douchebag! Who comes over to someone's house solely to take dumps?

TODD

Fine, Trent can't come to the house if you marry me.

BRIDE + GROOM - TODD

Scene 1 ^{4.}

JULIE

And I want you to remove your Chinese lettering tattoo.

TODD

It says strength and passion!

JULIE

And get braces.

TODD

What's wrong with my teeth? You loved them last night in bed!

JULIE

I didn't. Going downtown on you is gross.

TODD

What?

JULIE

I love you but your penis is so, so, so unattractive. They all are, but yours in particular is super nasty and wrinkly and it makes me feel sad inside.

TODD

Wow, okay. Fine. Blowies on my birthday only. Come on. Let's do this, babe!

JULIE

Honestly. I don't know... I just... I just didn't picture you as my husband. Adam Levine, yes. You? No.

TODD

And you're Giselle?

JULIE

Closer to her than you are Tom Brady. You're goofy, your feet look like you walked on a cheese grater, you fart in your sleep, you cry during football games, you think Olive Garden is fancy.

TODD

Babe, you fart in your sleep too. And you cry during McDonalds commercials, and your pinky toe looks half amputated.

VERY BAD WEDDING

BRIDE & GROOM - TODD scene 1^{5.}

JULIE

My point is, marriage is a big deal and based on looks and personality I'm not sure... but I do love you and would love to rub a wedding in my sisters face, ya know? Plus think of all the gifts we'll get.

TODD

So many gifts! And your sister will be so jealous!

JULIE

Okay, Todd. Yes, I will marry you.

Todd and Julie emerge from the room, RANDOM PEOPLE still watching. Todd holds her hand up, shows the ring.

TODD

She said yes. We're getting married!

JULIE

Yay.

// End

THREE RANDOM PEOPLE clap. We 360 steadi-cam around them and up to the sky to MAIN TITLE-- VERY BAD WEDDING.
